Ogres, Action Heroes, Fashionistas and Vampires collide in movie theaters this summer! From animation blockbusters like **Toy Story 3** and **Shrek: Forever After** to second helpings of **Iron Man** and **Sex & the City**; from remakes of beloved favorites like **The A-Team** and **The Karate Kid** to the third installment of the **Twilight Saga**, the summer of 2010 promises something for everyone, and **ABC's Summer Movie Guide 2010** is just the tool your listeners need to navigate their way through the air-conditioned multiplex.

The one-hour **ABC's Summer Movie Guide 2010** will give your listeners the scoop on this summer's hottest, most highly-anticipated flicks, complete with interviews from the stars, clips from the big movies and plenty of experts on hand to tell you exactly why they should -- or should not -- spend their hard-earned cash tickets to see them -- especially now that regular ticket prices have gone up and 3D ticket prices are even MORE expensive.

ABC News Radio's Entertainment Correspondent and Movie Critic **David Blaustein** will host **ABC's Summer Movie Guide 2010**.
